Rider Capacity	1-3 persons

# ASIATIC MARINE DISTRIBUTION (M) SDN BHD

## Greater Storage Capacity

At the bow, the storage compartment opening is expanding for easier access for the storage. And the under the seat storage capacity is larger and comes with a watertight box for clothing and valuables that need to stay dry.

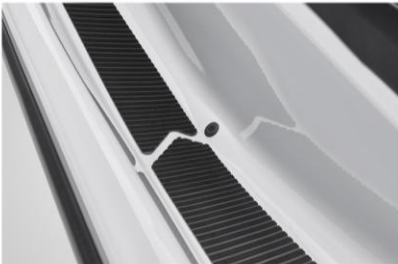

## Multifunction Information Center

Meters for tacho, speed, hour, volt, fuel level indicator for shift, engine overheat warning, oil pressure warning, fuel level warning.

## Glove Box

The watertight large glovebox is massive with LED lighting inside, and there is a dedicated area for your smartphone and a USB port and 12V power outlet

## Footwell Drain

Features the self-draining footwells to prevent water pooling.

## Narrow & Deeper ergonomics

The deck design delivers ergonomics with deeper, wider footwells, and the seat design provides knee grip and overall comfort, especially for smaller riders.

## Tow Hook

The tow hook allows for easy, secure towing.

## High-Performance Hull design

The VX hull is same high-performance hull shape as the race-ready GP Series. This hull is also designed for static and dynamic stability that makes riding with multiple passengers and towing more fun.
