ASIATIC MARINE DISTRIBUTION (M) SDN BHD

Narrow & Deeper ergonomics

The deck design delivers ergonomics with deeper, wider footwells, and the seat design provides knee grip and overall comfort, especially for smaller riders.

Reboarding Step

Designed to make it easier to reboard after a swim. Conveniently tucks away when not in use.

High-Performance Hull design

The VX hull is same high-performance hull shape as the race-ready GP Series. This hull is also designed for static and dynamic stability that makes riding with multiple passengers and towing more fun.

Greater Storage Capacity

At the bow, the storage compartment opening is expanding for easier access for the storage. And the under the seat storage capacity is larger and comes with a watertight box for clothing and valuables that need to stay dry.

Glove Box

Extra-large storage in the glove box is easily accessible.

RiDE

Drivers can switch from forward to reverse or neutral with one pull of the lever resulting in easier deceleration, reversing and docking.
